Kylie Mathews

Hello Laramie County. My name is Kylie Mathews and I am a Senior at South High School in Cheyenne. I am very active in 4-H, FFA, and orchestra. I have served as Big Country FFA Vice President and am currently our chapter President. I was also given the opportunity to serve on the 2018-2019 Wyoming 4-H State Leadership Team and represented Wyoming 4-H at the National 4-H Conference, presenting to the United States Department of Energy! I love the Laramie County Fair and have been an exhibitor for six years showing swine and beef. I am looking forward to serving Laramie County as an Ambassador and know its going to be a wonderful year!

Lauren O'Hare

Hello Laramie County Fair! My name is Lauren O'Hare and I am proud to be serving as your 2020 Laramie County Fair Ambassador! I am a junior at Central High School and agriculture is my passion. I am currently the Treasurer for the High Plains FFA Chapter. Last year was my first year showing hogs and I loved the memories I made. I promise I will be dedicated to do my best at making this year's LCF great for everyone involved.

Hannah Mulkey

Hello Laramie County, my name is Hannah Mulkey and I am 18 years old. I will be graduating from Central High School in May. I am currently serving as President of the High Plains FFA Chapter and an active member of the Busy Bunch 4-H Club. I have been involved with the Laramie County Fair since I was eight years old. I show market and breeding goats, as well as market poultry! I look forward to a year of keeping traditions alive while growing our program!

Raegen DeLancey

My name is Raegen DeLancey and I am a Junior at Cheyenne Central High School. I have been showing horses at the Laramie County Fair for nine years both in 4-H and FFA. I am currently the Vice President of the High Plains FFA Chapter and outside of fair you can usually find me in the rodeo arena or on our family ranch. Rodeo is my passion and I compete in barrel racing, pole bending, goat tying, breakaway and team roping. Within this Fairbook, you will find three sets of Rules and Regulations setting forth these Organizations' individual guidelines that need to be followed depending on what show you may be involved in at the time. Please be cognizant of what Organizations' show you are participating in and what Rules, Regulations, procedures, and enforcements you may need to follow. Please be aware that the Laramie County Fair cannot and will not enforce any rules or regulations involved with 4H or FFA shows.

3. **Judges will not award prizes to any exhibit[MV4]/animal[DA5][MV6] that does not meet minimum qualifications of the division in which it is entered.** It is the intention of the Fair Staff that no premium or distinction of any kind be given to any animal or article that is not deserving. The rule will be adhered to whether or not there is competition. The awarding of a trophy for those classes so designated is at the discretion of the judge of that class. When there are fewer than three exhibits in any class, some classes can be combined and the judge will award whatever placing the exhibits deserve on the basis of quality. When there is no competition between exhibitors in a class, only one award will be given. No exhibit will be eligible for more than one premium in any one class.
4. No premium shall be awarded, nor will any premium be paid on any animal or article not mentioned or classified in this premium list.
5. Premium Disputes: **September 30 of the current exhibiting year**, is the deadline for reporting any errors in a premium check or for a check not having been received by the exhibitor. 9. Premium checks must be redeemed by December 31st of current fair year to avoid forfeiture.
10. All exhibitors requesting consideration for adjustment of a premium must submit their request online or by mail on a premium adjustment request form. Mailed premium adjustments must be post marked by September 30th of current year. Neither adjustment requests nor reissue of unreceived checks will be considered after September 30th of current year. G. Animal and Livestock Policy

1. All livestock are required to pass Vet inspection before unloading animals on grounds.
2. Any animal ineligible to show may not remain on the fairgrounds.
3. All vet decisions are final and may not be protested.
4. All market animals will enter in the appropriate Market Animal Division. 4-H and FFA designations, breeds and weights will be determined at the final weigh-in. Each market animal exhibiting/showing must have an entry in ShoWorks and the correct ear tag number listed.
5. All livestock will be checked in by the barn superintendent and assigned stalls. No animal will be stalled without first checking with the barn superintendent. Closing time for check-in and weigh-in in all livestock areas will be in accordance with the Fair schedule.
6. No livestock will be re-weighed.
7. 4-H and FFA exhibitors are responsible for complying with all State Brand Laws and all Wyoming animal health laws. Exhibitors must be in possession of proof of ownership at all times during the Fair.
8. No animal or exhibit may be entered by more than one exhibitor within any given year.
9. No animal or exhibit may be shown in both FFA and 4-H within any given year.
10. No animal can be shown in Market and Breeding in the same year.
11. Born & Raised Youth Show animals must be pre-entered. Born & Raised Youth Show determination WILL NOT be done at the scale.

13. Any animal exhibited in the 4-H or FFA Divisions must have been owned by the exhibitor on or before the date specified in the corresponding 4-H or FFA rules. In the interest of ensuring the maximum possible fire protection rating, the Laramie County Fair will require wood shavings as the primary bedding material for animals exhibited at the Laramie County Fair. Poultry and rabbits without trays at the bottom of the cage must have bedding on the ground under the cage. However, because of special health considerations, ONLY Dairy Goats and Breeding Sheep will be permitted to use the bedding material of their choice. All other animals will be bedded on wood shavings. While the Laramie County Fair does provide some bedding, exhibitors need to provide additional bedding if the bedding that is provided is not sufficient.

14. All livestock must be kept in assigned stall areas while on the fairgrounds. Stall cards for all livestock, poultry, and rabbit exhibits must be in place and properly filled out. Replacement cards will be made available for those that have become torn or soiled. Failure to abide by this policy will result in forfeiture of premiums.

However, in the interest of safety and education, an Exhibitor may be assisted both at home and at the Laramie County Fair. Assistance is defined as a learning situation where the person doing the assisting is educating the exhibitor as to the technique in fitting and showing. If the Champions and Reserve Champions come from that same division, only the first duplication will come from that division. The judge will determine division placing from class winners.
3. In situations where a member qualifies more than one animal per category, the following duplication process will be used: In divisions with more than one class, all 1st and 2nd place class winners will come together and be placed within the division. This division placing will then be used to determine duplicates for the sale. Sale Order: First duplication follows the champion; second duplication will follow the reserve champion. Other duplications will start with the heaviest division and move in order to lightweight division, however, no fourth-place animals will sell until all third-place animals are sold. If Champions and Reserve Champions come from the same division, only the first duplication will come from that division.
4. FFA Exhibitors will complete Kiwanis sale forms immediately following the selection of the overall champions of each market show.
5. Members qualifying more than 1 animal per category are required to sell the highest placing animal. Overall Champions and Overall Reserve Champions will be sold before Division Champions and Division Reserve Champions. Division Champions will be sold before Reserve Division Champions.

4-H LIVESTOCK SALE

Chairman: Mike Olson

Each market beef, sheep, goat, poultry, rabbit and swine exhibitor may sell one qualified animal. Only 4-Hers who have two Overall Grand and /or Reserve Grand Champion Animals may sell two animals in the livestock sale. (For example, if a 4-H member has an Overall Grand Champion Steer and Overall Reserve Champion Lamb, he/she may sell both animals). (Member who has the grand Champion Turkey and a breed champion steer may only sell one animal). No member will be allowed to sell more than two animals under any circumstances. Market poultry exhibitors will have a chance to sell in the sale if their animal is determined to be market ready, of acceptable quality, and this is the only animal they have in the sale; the market poultry judge will make this determination.

Sale order is to be determined by the sale committee with the species champions selling first and then going in rank of placing. The animal sold in the sale must be the animal delivered to the buyer. If a member wishes to keep an animal they should not enter it into the sale.

All exhibitors:

- Must have their beef, sheep, goats and swine tagged with a state ID tag. Health and ownership papers will be checked at tagging.
- Follow market division rules for each of their species
- Must turn in their sale card by Thursday at 5:00, August 6, 2020
- Sheep and Beef exhibitors must turn in ownership paper to the brand inspectors Friday, August 7, 2020 in beef barn.

Once you leave the weigh-in holding area no changes will be made to market/breeding, weight, 4-H/FFA, or breed. If your animal does not meet the minimum or maximum limits it cannot be sold in the 4-H Livestock Sale.

Animals will be sold by the head rather than by the pound. According to standard auction procedure, a commission will be deducted from each consignor's check to cover the cost of advertising, supplies, recognition of buyers and volunteers, etc. Commissions are:

DEPARTMENT: DOG SHOWS

DIVISION #1

4-H members only

Superintendent: Hanna Jackson- 307-751-8149 Co-Superintendent- Zach Mason- 307-203-9555

Premiums: 1st - \$5.00 2nd - \$4.00 3rd - \$3.00

Rules and Regulations

- 4-H members qualify to enter the State 4-H Dog Show by showing in their county 4-H dog show AND:
- **Showmanship** - youth competed in showmanship at county fair or the county 4-H Educator approved the youth.
- **Obedience** - received a qualifying score of (170) or above.
- 4-H members participating in the dog project may use co-owned dogs (owned by the immediate family). The member must have sole care, training and showing of that dog for the current 4-H year.
- **Ownership:** The dog lives in the same residence with the 4-H member and is owned by the 4-H youth or immediate family member (grandparents, mother, father, brother, sister). **Any other living situation must be approved by 4-H Educator.**
- **Co-Ownership:** Ownership ID Sheets extends beyond the family with two or more names on the papers to prove co-ownership exists. One of the names on the ID Sheet must be the 4-H youth or an immediate family member.
- **Dog Training Contract:** The 4-H member may enter into an agreement to train someone else's dog in situations that may benefit the member, the dog or both. This arrangement is used for families with the inability to own a dog. **The training contract should not be used as a substitute for normal dog ownership.**
- All dogs must be at least 6 months of age by May 1st to compete at the County 4-H Dog Show and 1 year of age by May 1st for agility classes. Dog ID forms should reflect the age of the dog.
- Certificates for dog entries must show current immunization as per state veterinary guidelines. **No animals will be allowed to exhibit at the Wyoming State Fair without a valid Animal Health Certificate.**
- **All dogs must be on leash (excluding competition) and under control at all times. County Fair rules prohibit any dog from being any place but the site of the dog show.** Once the 4-H dog show is completed, all dogs must be removed from the fairgrounds.
- Vicious dogs will be dismissed from the ring and must be removed from the premises.
- Bitches in season will be allowed in classes. However, they will **run at the end of each class.**
- Spayed, monorchid, or neutered dogs may be shown without judging discrimination.
- Dogs must be clean and well groomed.
- The show committee reserves the right to ask anyone violating these rules to leave.
- Entries for Rally classes and Agility classes will need a current Wyoming 4-H Jump Height card at check-in to verify correct class entries.

Obedience

- A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
- The first-year class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first year beginner novice class only once.
- An exhibitor who competes in the A groups with their first dog stays in the A groups with that dog for each level. The same is true for the B groups and levels. A member advances from On Leash A to Novice A. Same applies for moving in B classes.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show must show the dog by these guidelines:
 - Junior and Intermediate age exhibitors may move back or down one level
 - Senior age exhibitors must show the dog at the highest level the dog has achieved
- A dog receiving a qualifying score of at least 170 points at county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores. Once the higher level of obedience is selected for the dog, the member may not drop back down to the lower level with the same dog.
- Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- All dogs must enter/leave the show ring **on a leash.**
- Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
- Bait and/or toys are not allowed in obedience competition.
- Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.

State Fair Horse Show Entry Deadline: Monday August 3rd by 5:00 pm

Horse - Performance

Junior horses are those that are 5 years and younger as of January 1st of the current year. Senior horses are those 6 years and older. Premiums are paid on first through sixth place only. The top individual (or next eligible exhibitor) will be Laramie County's representative at State Fair in our allocation of 1 entry per class per county. The only exception is for halter and showmanship classes, an exhibitor must have competed with the horse at county fair to compete in state fair, but placing at county fair does not affect state fair eligibility. A horse may be entered in only one class under each event, i.e.: one reining class, one western pleasure class, etc. Refer to current State 4-H /FFA/JUNIOR Horse Show Rules Book for all appointments, tack, class conduct, way of going, etc.

PROGRAMMED RIDE

Riders will be scheduled. All riders must check in at gate 5 minutes prior to the start of the class, failure to check in will result in class forfeit. Scheduled times that conflict with other activities must be discussed and arrangements made during the Horse Show check in prior to the start of the show. The class must be ridden English. Readers--Each rider is invited to bring their own readers. Readers can be provided by the show committee upon request. IF YOUR READER IS UNAVAILABLE AT YOUR ASSIGNED TIME, YOU WILL NEED TO PROVIDE ANOTHER READER OR PERFORM WITHOUT A READER.

**All stock events including Working Cow, Ranch Sorting, Team Roping and Breakaway roping are only open to Seniors.

** Team roping and Ranch sorting will be limited to two runs per exhibitor. However, each run must be with a different partner. If an exhibitor intends to participate in two runs they must enter the class twice.

**Any exhibitor wishing to participate in Team Roping, Breakaway roping, Ranch Sorting, Goat Tying, Working Cow, Barrel Racing, Pole Bending and/or Trail MUST pass State established endorsements.

4-H STATIC EXHIBITS

UNIVERSITY OF WYOMING EXTENSION EDUCATORS/STAFF

Kristi Nagy, 4-H Educator

4-H Office 307-633-4383

Please see 'FAIR SCHEDULE', 'GENERAL RULES AND REGULATIONS' and 'AWARDS' in the front of book or more information regarding entry deadlines, dates, additional rules and premiums.

- It is highly recommended that a Skill Summary Statement be attached to each entry. This can include a brief explanation of your project to help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others. Due to the absence of interview judging at State Fair it is highly recommended that this information be attached to all State Fair qualifying items. Food & Nutrition and Food Preservation projects have required information that must be attached to each entry. Details can be found in that project section. Contact the Extension Office for examples of skill summary cards.
- Posters, pictures, artwork and photography exhibits should come with a method for hanging them on hooks attached to pegboard following the WY 4-H Photography & Visual Arts Display Guidelines Brochure. If the items cannot be hung, they will be displayed on the floor or table as space allows. Items not displayed according to these standards may not be eligible for the Wyoming State Fair.
- Display boards or poster boards must be able to stand on their own on a table.
- Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the 4-H Office, may not be allowed to be publicly displayed and/or judged.
- Oversized exhibits will be displayed as space permits.
- Static exhibits are judged by an interview judging process with an emphasis being placed on the learning process of the project area. Exhibits that are judged without the interview judging process are placed at the judge's discretion.
- Rules - It is the responsibility of the exhibitor/family to know and understand all rules and regulations. Unless specified, exhibits must conform to the same rules and regulations that apply to other departments at County Fair.
- Entries must be exhibited at County Fair to be eligible for the Wyoming State Fair. It is the Responsibility of the 4-H member/family and to enter exhibits/entries in the correct classes. Incorrect entries can be disqualified. Contact the 4-H Office if you have questions about classes.
- The Laramie County Fair or County extension staff will not be responsible for the loss of or damage to, any exhibit or animal.
- 4-H static exhibits are judged using the Danish system of placing (purple, blue, red, white). Entries winning a blue or purple will be eligible for Wyoming State Fair.
- In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service involving 4-H and FFA youth was reviewed and amended to read as follows: ***"If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For Example: 4-H and FFA members may carry the same type of supervise occupational experience program in vocational agriculture per as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from the supervised FFA program and the 4-H exhibit must come from a 4-H project."***
- A project done in school should be eligible for display or show through one, but only one organization.
- Members are allowed 8 entries in each class with no like items. Like items will be disqualified. Multiple entries can be entered in each class as long as the projects are distinctly different, however you must enter these classes multiple times on your fair entry form. Example: A Jr. aged division member is bringing cucumbers, beans, and tomatoes, in order to be entered for all three vegetables, this member must have three entries on their fair entry form for H-29-1. If you have questions please call the fair office, or the 4-H office.
- Interview judging may occur on three items per youth per project area. Additional items in that area will be set aside and judged later. For example, if an exhibitor has six photos, three photos (from any combination of classes) will be interview judged and the remaining will be set aside and judged later.
- All static exhibits going to State Fair will be transported by extension office unless prior arrangements are made with the 4-H Staff. If a member's item is fragile or breakable it is that member's responsibility to pack this item to go to State Fair on **Saturday August 8th at 3:00 PM**. Multiple similar exhibits from the same exhibitor or exceptionally heavy or large items will be transported at the discretion of the Extension Office Staff. The Wyoming State Fair, State 4-H Office, and the County Extension Staff will not be responsible for the loss of or damage to, any article or animal. Photography and Visual Arts participants will be limited to taking 4 items of each project to Wyoming State Fair. After interview judging the participant will pick which entries they want to enter at Wyoming State Fair. Entries not chosen must be picked up Saturday.
- Multiple entries can be entered in each class as long as the projects are distinctly different, however you must enter these classes multiple times on your fair entry form. Example: A Jr. aged division member is bringing cucumbers, beans, and tomatoes, in order to be entered for all three vegetables, this member must have three entries on their fair entry form for H-29-1. If you have questions please call the fair office, or the 4-H office.
- All static exhibits (all projects) will be judged on Saturday August 3rd from **9-1**, unless otherwise stated in that section. Fabric and Fashion, Foods, and Food Preservation are all being judged on Friday August 2nd at East High School from 9am-Noon. Please see those sections and the 4-H July/Aug 4-H Newsletter for more information.

- Static Exhibits not going to State Fair may be removed beginning at **3:00am Saturday August 8th. Items left after 5 p.m. will be disposed of.**
- Perishable entries for State Fair need to be taken to the Laramie County Extension Office **August 10th, 2020 between 7:30-9:30 A.M.** to be transported to Douglas.
- No hazardous materials, dead or parts of a dead animal unless properly preserved, live ammunition or any exhibits that pose a health or safety concern are allowed. The County 4-H Office reserves the right to disqualify and dispose of any project considered a health/safety hazard or potential health/safety hazard.
- For additional 4-H specific rules and recommendations for County Fair and State Fair please refer to the County Fair Edition of the 4-H Newsletter or the 4-H Update Emails.
- **To verify entries at your event please bring a copy of your ShoWorks online entry receipt or a copy of your verified paper entry to all contests and events.**

Prizes Sponsored for Best of Show and Jr. and Open Artistic Arrangement

Rules

- ALL FLOWERS EXHIBITED MUST HAVE BEEN GROWN IN WYOMING BY THE EXHIBITORS No silk or plastic flowers. The superintendents in charge of this department shall have the right to remove, at any time, from display, exhibits or parts of exhibits that have become unsightly. However, exhibitors are welcome, and encouraged, to replace any wilted or damaged flowers after the first day. These changes will aid in keeping the entire floriculture department more attractive for the entire duration. Flowers should be well preserved in transit. For longer lasting display, flowers should be cut early in the morning, or after sundown the previous day, with the longest stems possible, including the foliage. Place in cool area, in tepid water, for a minimum of 4 hours (preferably overnight), to completely harden. A sharp knife is best for cutting, making a diagonal cut on the stem (to allow as many plant cells as possible to be exposed) thus permitting the flowers to absorb a great deal of water.
- ENTRY TAGS MUST BE SECURELY ATTACHED TO EACH EXHIBIT BY THE EXHIBITOR BEFORE EXHIBITS ARE ENTERED. USE STRING ONLY TO ATTACH TAGS TO BOTTLES JARS AND VASES. RUBBER BANDS NOT ALLOWED.
- Exhibitors must furnish containers in proportion to size of bloom. Containers are to be clear glass or plastic bottles and jars, or clear glass or plastic inexpensive vases (free of labels), (No artificial material of any kind is allowed including plastic, Styrofoam, artificial flowers, or foliage). ENTRIES MUST BE THE SOLE CREATION OF THE EXHIBITOR. After flowers are conditioned, NO foliage should be in water.
- Artistic Arrangements – ONLY FRESH OR DRIED, DYED OR TREATED NATURAL PLANT MATERIAL MAY BE USED IN ARTISTIC ARRANGEMENTS. NO ARTIFICIAL MATERIAL WILL BE ALLOWED WITHIN ARRANGEMENTS. Foliage, accessories, and bases may be used as desired. The arranger need not have grown flowers used in arrangements; however, arrangements must be the sole creation of the exhibitor. The committee will exercise all care, but will not be responsible for loss or breakage of containers or accessories
- All Laramie County residents are urged to participate in the Floriculture division to make this a "Laramie County-Wide" exhibit. First time exhibitors may be given some assistance by the superintendents in preparing their entries to meet Floriculture rules. Potted plants and planters MUST have been the property of the exhibitor for at least three months before the Fair. All plants MUST be named.
- In close decisions named and/or newer varieties will be given preference for awards.
- Only judges, superintendents and clerks will be allowed in the Floriculture section during judging.
- Wedging is allowed
- One entry per class
- Make sure flowers, not the accessories, are the focus of your arrangement
- Floriculture exhibits will be judged on-Cultural perfection (form, color, substance, foliage, stem and size according to variety) - 60 points, Distinction of variety - 20 points, Condition - 20 points

DIVISION: NEEDLEWORK-QUILTS

DEPARTMENT: OPEN CLASS STATIC EXHIBITS

DIVISION #86

All Laramie County residents eligible to enter

Premiums: 1st - \$6.00 2nd - \$4.00 3rd - \$3.00

- **Definition:** A quilt must be constructed from fabric with a top piece and a back piece with batting in between the fabrics and must be quilted and bound.
- **Pre-Printed Panels:** All entries that are a commercially preprinted and/or pre-quilted panel should be entered in the Bedcover Division. If you have pieced (consisting of more than just adding binding) a pre-printed panel into a quilt top that you have then quilted, it can be entered in the appropriate class.
- Names of all persons working on a quilt should be listed on card/entry form.
- **First time quilters** must check in the First-Time Quilters box on the entry form to be eligible to compete for the First Time Quilters Award.
- **Quilt Size:** Measure the length and width of your quilt, add these two numbers together. This is the figure you will use to determine which class to enter your quilt in. To help us enter your quilt in the correct class, **pin paper with the length and width written down and the class you would like to enter your quilt in. Please state if made by one person or if quilted by a second person.**
- **Mixed Media** is a combination of two or more techniques. An example: appliqué and pieced work, or a combination of appliqué, beadwork, embroidery (machine or hand), and pieced work, etc.
- **Professional** is one who teaches quilting for fees, makes a practice of selling labor/or completed works, or has been a previous Best of Show winner twice in the non-professional class.
- The criteria for entering in a group quilt class whether to enter in the Professional or non-professional categories will be based on who constructed the top, if it is a mixture of both professional and non-professional categories. If a non-professional constructs the top but has it professionally quilted it should then be entered in the non-professional categories.
- One entry per class
- All entries must have a skill level/age category letter following the class number. Multiple skill level/age categories may not be used.
