By signature below, I understand that responsibilities as a volunteer include following the directions, rules, and instructions of Laramie County and/or its authorized agents. I understand and agree that I will comply with any commitment I have made to be present at a certain date and time for certain activities. I further agree and understand that though I am not authorized to act as an agent of the county, in my activities as a volunteer I shall be polite, helpful, and on my best behavior with limited employees, fellow volunteers and the public. I acknowledge that, as a volunteer, I am not an employee of Laramie County and that any stipend or other payment to me does not create an employer/employee relationship or an independent contractor relationship with Laramie County or any of its entities. My services can be refused and/or terminated at any time in the complete discretion of Laramie County and/or its authorized representatives. I acknowledge that I have no property right in my volunteer position, nor have any promises or commitments been made to me in regard to maintaining a position as a volunteer, either now or in the future. I agree that, if selected as a volunteer, I will sign and comply with the Volunteer Agreement and Release and Waiver. I acknowledge Laramie County and its entities do not waive Governmental/Sovereign Immunity, as provided by any applicable law including W.S. § 1-39-101 et seq., and that Laramie County fully retains all immunities and defenses provided by law for any action, whether in tort, contract or any other theory of law. Finally, I understand that Laramie County may perform a background check in connection with my application to be a volunteer. I waive any applicable rights to confidentiality as required for such a check and provide consent for said background check.
