LARAMIE COUNTY FAIR

Adelynn Marcy

Hello, I am Adelynn Marcy and I am honored to serve as a 2026 Laramie County Fair Ambassador. I cannot wait to share my love for both agriculture and the Laramie County Fair with our incredible community. I have always had a passion for helping others and I plan on continuing this through both serving as a Fair Ambassador and in my post secondary education life. I am graduating from Central High School and this fall I will be continuing my education at the University of Wyoming. I will be majoring in Ranch Management and Agricultural Leadership. I have spent my free time involved in many organizations, sports, and volunteering. Among these organizations is FFA. Through FFA I have shown ducks and served as a chapter officer. I am so excited to serve the fair and the community to make this fair the best yet! See you all this summer at the Laramie County Fair!

Kinzley Nusbaum

Hi, I'm Kinzley Nusbaum, and I'm proud to serve as a Laramie County Fair Ambassador. I grew up in eastern Laramie County, where agriculture, hard work, and community have shaped who I am. I graduated from Burns High School in 2025 and am currently pursuing a degree in Special Education, driven by a passion for helping others learn and grow. I've spent 10 years in 4-H and 7 years in FFA, gaining leadership experience and a deep appreciation for the agricultural way of life. I've also been involved in athletics, serving as captain of my high school girls' wrestling team, which taught me discipline, perseverance, and how to lead by example. My faith is the foundation of everything I do, guiding how I lead, serve, and treat others. I strive to represent my community with authenticity, integrity, and heart in everything I do.

Makinley Sunderland

Hello my name is Makinley Sunderland, I'm 17 years old and so excited to be serving as 2026 Laramie County Fair Ambassador. I am a Junior at Central High School where I am an active participant in my FFA chapter, showing sheep and poultry. I'm passionate about agriculture and excited to connect with our community. I hope to see you around fair this season!

Emily Shuck

Hi, I'm Emily Shuck, and I'm proud to serve as a Laramie County Fair Ambassador! I was born and raised in Cheyenne, Wyoming, and I'm currently a sophomore at Cheyenne East High School. I didn't grow up in agriculture, but FFA completely changed that for me. What started as something new quickly turned into a passion. Over the past four years, I've gotten to compete in Parliamentary Procedure, Meats Judging, Poultry Judging, Quiz Bowl, Conduct of Chapter Meetings, and Agriscience where I placed 1st at state. Through these experiences, I've found a place where I belong and a community that has pushed me to grow. At the Laramie County Fair I've been a static exhibitor and this year I plan on showing sheep and goats as well as static. In 4-H, I've participated in Meats Judging for the past two years. This year, my team placed second, and I'm excited for the opportunity to judge at the National Western Stock Show. Outside of agriculture, I've played volleyball for the past six years at both the school and club level.

Katalyna Wolski

Hello everyone, my name is Katalyna Wolski, and I am proud to serve as a 2026 Laramie County Fair Ambassador. I am a fifth-generation Wyomingite and have had a passion for agriculture my entire life. Agriculture has taught me confidence and the importance of working hard to achieve my goals. I will be graduating from East High School and plan to pursue a degree in secondary education next fall. I have always had a passion for helping others learn and grow. I have spent three years in 4-H and four years in FFA. During this time, I served as an FFA chapter officer for two years, won the state FFA horse judging competition, and had the opportunity to compete at the National FFA level. Through 4-H, I have judged horses at two national shows and competed in hippology. These experiences have taught me the value of teamwork and how to effectively advocate for agriculture. I have also been a CFD Dandie for five years and have volunteered since I was eight years old. This has taught me proper equine and animal care, as well as how to work toward something greater than myself. I am excited to work with an amazing team and help make the Laramie County Fair a wonderful experience for everyone! I can't wait to see everyone this summer!

- Open Class Superintendents have the right to change entries to correct age division if they see fit.
- Exhibits must be the handiwork of the exhibitor and must not have been previously shown at the Laramie County Fair.
- Only entry corrections will be done during the designated entry tag pickup dates and times, and no additional entries will be accepted.
- No additional classes or entries will be added past the first day of the Fair; including showmanship.

H. Tagging

- All Market animals exhibiting in the Laramie County Fair must be brought to a centralized tagging event. During tagging, an official Laramie County Fair RFID tag will be placed in the animal's ear. Producer issued 840 series RFID tags will also be accepted as an official Laramie County Fair tag.** In addition to the approved RFID tag, we will require an additional form of identification for each animal exhibiting. If there is no additional form of identification in/on the animal's ear on the day of tagging, we will provide the animal with an additional tag.
- Each market animal exhibiting/showing must have an entry in ShoWorks and the correct ear tag numbers from the species tagging event listed. Proof of ownership will be required.
- All Sheep and Goats must have a USDA/APHIS Scrapie Identification tag or tattoo in place prior to tagging. If not in place at tagging, the animal will not be tagged.
- All animals must be brought to the centralized tagging to be tagged or have their 840 series tag recorded. No other accommodation will be provided.**
- Ear tags that fall out or break must be reported to the fair office as soon as they are discovered missing. Replacement tags will be provided after the secondary tag number/ear notch is provided to us.**
- During tagging, each exhibitor will be given a copy of the tags that are put into their animals' ears. Once these tags are approved by the exhibitor or the exhibitor's representative, the tag numbers will not be changed for any reason.**
- No exhibitor shall be allowed to show an animal that was not tagged in their name with the exception of helping someone show an animal with duplicates in a class.**

I. Premiums and Awards

- No prize will be awarded or sponsored by any individual or group without the permission of the Laramie County Fair.
- Premiums and awards will only be awarded to exhibitors, 4-H Clubs and FFA Chapters that have a completed exhibitor profile and official entry in ShoWorks either entered by the exhibitor online or by submitting a paper entry form.
- Judges will not award prizes to any exhibit/animal that does not meet minimum qualifications of the division in which it is entered. It is the intention of the Fair Staff that no premium or distinction of any kind be given to any animal or article that is not deserving. The rule will be adhered to whether or not there is competition. The awarding of a trophy for those classes so designated is at the discretion of the judge of that class. When there are fewer than three exhibits in any class, some classes can be combined, and the judge will award whatever placing the exhibits deserve on the basis of quality. When there is no competition between exhibitors in a class, only one award will be given. No exhibit will be eligible for more than one premium in any one class.
- No premium shall be awarded, nor will any premium be paid on any animal or article not mentioned or classified in this premium list.
- Premium Disputes: September 30 of the current exhibiting year is the deadline for reporting any errors in a premium check or for a check not having been

received by the exhibitor. No changes will be made nor checks issued after September 30. Premiums are paid based on placement on official Judging Sheets, not ribbons received.

6. Premium checks will be made payable to the exhibitor's name designated on the entry form and mailed to the address provided by the exhibitor. Exhibitors are responsible for notifying the Fair Office of any change to the exhibitors' mailing address.
 7. Exhibitors who receive premiums above the reporting limits set by the IRS will be required to complete a W-9 prior to receiving their premium check. A Form 1099-MISC will be mailed to you for your taxes.
 8. Premium checks must be redeemed by December 31st of current fair year to avoid forfeiture.
 9. All exhibitors requesting consideration for adjustment of a premium must submit their request online or by mail on a premium adjustment request form. Mailed premium adjustments must be post marked by September 30th of current year. Neither adjustment requests nor reissue of unreceived checks will be considered after September 30th of current year. Requests made by phone will not be accepted.
- J. Vet Check Rules and Procedures-** These rules and procedures encompass Fair as a whole
1. All livestock, unless otherwise stated under the specific department, are required to pass a veterinarian inspection before unloading animals on grounds. If an animal does not go through vet check, the animal will be removed from the grounds and will not be allowed to show.
 2. Any animal deemed ineligible to show may not remain on the fairgrounds.
 3. All Veterinarian decisions are final and may not be protested.
 4. If the Veterinarian is unable to make a determination on animal eligibility, Events Director, or designee, reserves the right to declare an at-risk animal ineligible out of precaution for the health and safety of the exhibitors and other livestock.
 5. **During vet check, all animals must have all coverings removed. This includes blankets, leg wraps, or anything else that covers any part of the animal's body.**
 6. **Any animal exhibiting signs of a contagious disease or illness will be sent home immediately to prevent the spread of infection. Animals with skin conditions will be evaluated to determine whether the condition is active and poses a risk of transmission to other animals or humans. This determination will be made at the sole discretion of a licensed veterinarian.**
 7. **A skin condition may be considered active if it exhibits any of the following characteristics:**
 - a) Presence of an open or scabbed wound
 - b) Lack of new hair growth in the affected area
 - c) Visible blood or bleeding
 - d) Presence of pus or other signs of infection
 8. **Final determination of activity and risk of transmission will be made at the discretion of a licensed veterinarian.**
 9. **Health inspection paperwork or determinations from outside veterinarians will not be accepted during or after vet check with the exception of the shows that specifically require them. All health evaluations and final decisions regarding contagious conditions, skin issues, or any other symptoms will be made exclusively by the designated on-site veterinarian.**

K. Animal and Livestock Policies- These policies encompass Fair as a whole

1. All market animals will enter the appropriate Market Animal Division. Youth show and FFA designations, breeds, and weights will be determined at the weigh-in. Each market animal exhibiting/showing must have an entry in ShoWorks and the correct ear tag numbers from the species tagging event listed. Proof of ownership will be required.

4. Once an animal exits the scale, no changes will be made to their weight, breed classification, market/breeding designation, or Youth/FFA status.

However, because of special health considerations, ONLY Dairy Goats and Breeding Sheep will be permitted to use the bedding material of their choice. All other animals will be bedded on wood shavings. While the Laramie County Fair does provide some bedding, exhibitors need to provide additional bedding if the bedding that is provided is not sufficient.
16. All livestock must be kept in assigned stall areas while on the fairgrounds.

LARAMIE COUNTY FAIR YOUTH LIVESTOCK SALE

General Information:

Each market beef, sheep, goat, poultry, rabbit, and swine exhibitor may sell one qualified animal. Exhibitors who have two Grand Champion Youth and /or Reserve Grand Champion Youth Animals may sell those two animals in the livestock sale. (For example, if a 4-H member has the Grand Champion Youth Steer and the Reserve Champion Youth Lamb, he/she may sell both animals). (Member who has the Grand Champion Youth Turkey, and a breed champion steer may only sell one animal). Animals consigned to the sale will sell only one time.

Sale order is determined by the Laramie County Events staff and published prior to the sale with rotation of species and placings. Champions will sell first. Any exhibitor planning on donating portions or whole proceeds to charity, scholarship, or similar causes must notify the Laramie County Events staff prior to the sale. The Laramie County Events staff will place those animals in the sale order appropriately and may not sell where the animal ranked.

The animal sold in the sale must be the animal delivered to the buyer/processor. If a member wishes to keep an animal, they should not enter it into the sale. Exhibitors may not buy back their animal at the time of the sale. Exhibitors shall not ask their buyer for their animal to be donated back to them after the sale of the animal. Violations may disqualify the exhibitor from participating in future Laramie County Fair Youth Livestock sales.

General Rules: Exhibitors must abide by the following rules for selling an animal:

- Sale animals must stay on grounds. If they are removed before the sale, they will not be allowed to sell.
- Exhibitors planning on selling in the Laramie County Fair Youth Livestock Sale must attend one of the exhibitor meetings published in the Laramie County Fairbook schedule after arrival.

- **All sales are final, by consigning your animal to the sale, after it is purchased, the exhibitor no longer owns it and may not contact the buyer to negotiate trading/switching/or buying back the animal. Violation of this rule may cause the sale to be negated and the buyer's money to be returned**
- Exhibitors must complete a thank you card. It is understood that exhibitors may choose to send a personalized thank you card following the sale, but it is required to complete a general thank you card prior to the sale for buyers.
- Exhibitors must have an official photo taken by the photographers on site with their designated sale animal. At the time of the photograph, exhibitors must bring their sale consignment card to the photographer. An official signature will be placed on the card for later verification that the photo was completed.
- When stamped and signed consignment cards are turned in, the exhibitor will be provided with a duplicate copy of their consignment card.
- **All consignment cards must be turned into the 4-H office by 5 pm on Thursday, August 6th, 2026. If a sale card is not turned in by the deadline, the youth will be allowed to sell but will be charged a 15% commission until 8 am on Friday, August 7th After that time, no consignment cards will be accepted, and the exhibitor will not be allowed to sell.**
- **All exhibitors who turn in consignment cards between Thursday at 5:01 pm and Friday at 8 am will be placed at the end of the sale.**

For scenarios not outlined above the fair manager should be notified as soon as possible**
- Animals will be sold by the head. According to standard auction procedure, a commission will be deducted from each consignor's check to cover the cost of advertising, supplies, recognition of buyers and volunteers, etc. Commissions are:

2% Beef	5% Goats, Sheep, and Swine	5% Poultry/Rabbit
---------	----------------------------	-------------------
- Commissions will not be removed from add-on money.
- **All sale proceeds will be distributed to exhibitors once 75% of the total sale amount is collected from the buyers.**
- Animals may be disqualified from the sale if the official judge, veterinarian, or Fair Staff recommends disqualification based on market readiness, health, or sale rule infraction.
- **Due to animal processors request, no glitter or paint may be used on sale animals. If an animal comes to sale check in with these items, they will be told to go wash their animal, potentially missing your sale spot.**
- The Laramie County Events staff will make arrangements for the delivery of the animals not reserved for State Fair following the sale. Every precaution will be taken for safe delivery; however, ownership is changed to the buyer when sold.
- **State Fair Animals - once an animal is sold at the sale, it becomes the 4-H member's responsibility to transport State Fair animals to the designated processor on the predetermined dates following State Fair. All resale animals reserved for State Fair are to be delivered to LCCC on the day they are released from State Fair.**
- **Failure to return the same animal for slaughter that was sold through the Junior Livestock Sale, or the attempted substitution of another animal will result in an automatic no sale. In that case, the buyer's money will be refunded, and ownership reverts to the seller. If an exhibitor decides to not attend the state fair, the animal must be taken to the designated spot at the announced time/date. Failure to comply will result in a voided sale and potential sale suspension.**
- Any question about the Laramie County Fair Youth Livestock Sale after fair should be directed to the Fair Manager.

FFA GENERAL RULES & LIVESTOCK RULES

FFA Advisors:

Emily Sowards, Cheyenne- High Plains FFA

Will Luna- Burns FFA

Joe Allen- Frontier FFA

Lindsey Kisicki- Pine Bluffs FFA

Brian Cox- Big Country FFA

Megan Barton- Horse Creek & Prairie View FFA

1. All exhibits must be owned by members in good standing from a Laramie County FFA Chapter. All exhibits must be taken possession of and student will provide daily care of his/her project. Proof of ownership may be required. Ownership of lambs and swine must be declared by June first of current year. These exhibits must be worthy of competition. It shall be at the discretion of the judge whether to award premium, a ribbon only, or no award at all. All agronomy entries exhibited for competition must have been grown by a member of his own project or be prepared as a supplement practice under the FFA advisor's supervision.
2. Please see Fitting Rules and Weight limits page for that information.
3. All animals shown in the FFA section of the Laramie County Fair market classes must be eligible for the Kiwanis Sale of Champions and must have been weighed and tagged prior to being shown.

USDA WHOLESOME MEAT

The Laramie County Fair endorses and supports the USDA Wholesome Meat Act and insists exhibitors comply. Exhibitors of all market animals (beef, sheep, swine, market goats, poultry, and rabbits) must certify their compliance with manufacturer's pre-market withdrawal periods specified for any and all medications, drugs, pesticides or feed additives administered. The use of any non-approved chemical or improper use of approved chemicals is strictly prohibited. Certification will be requested upon arrival at weigh-in at the County Fair.

All "Wholesome Meat Assurance Act" rules and regulations must be adhered to. The seller will be personally responsible for any animal which may be condemned because of chemical misuse. Any cost to prove or disprove the use of medications, tranquilizers, and/or injectable substances will be borne by the exhibitor. If proven guilty, the exhibitor will be permanently barred from the livestock sale.

KIWANIS LIVESTOCK SALE

- The Kiwanis Sale will consist of the following categories: Market Beef, Market Swine, Market Sheep, Market Goats, **Pen of Three Meat Rabbits**, and Market Poultry. Any member may sell up to 2 animals, but they must represent different categories as outlined above. The sale will consist of 10 market beef, 10 market swine, 10 market sheep, 5 market goats, and 5 market birds. In the beef, swine, and sheep categories, the Champion and reserve Champion in each of five weight divisions will be included in the sale. In the event that there are less than thirty head of a species, classes will be divided accordingly, but sale slots will be selected by using a top overall animal ranking for sale order and qualification. If this occurs, we will select a top ten overall, or until the required number of members have qualified for the sale. This would only apply to beef, swine, and sheep if we have less than thirty head for that species. For goats the top five overall will be selected using the same format regardless of the number of entries. When an animal is selected the next highest placing animal from that class will come out for consideration for the top ten. Example: There are three classes the top two from each class will come out for the overall. The champion is selected from the 2nd class, the third place from that class will come out and be in contention to be selected. If the 2nd place in that class is selected next the 4th place will come out for contention. All animals from one class could qualify for a sale spot when selecting an overall ranking. You may win a class and the judge may not pick any from that class for the overall ranking, so you don't make the sale. The Champion Market Pen of 3 Broilers/Fryers, Champion Market Turkey, Champion Market Duck, and Champion Market Goose (less than 26 weeks) will be included in the sale.
1. For shows with 30 or more head: The first duplication follows the Champion, the second duplication will follow the Reserve champion, and the other duplications will start with the heaviest division and move in order to the lightweight division. However, no fourth place division animals will sell before the third place division animals are sold. If the Champions and Reserve Champions come from that same division, only the first duplication will come from that division. The judge will determine division placing from class winners.
 2. In situations where a member qualifies more than one animal per category, the following duplication process will be used: In divisions with more than one class, all 1st and 2nd place class winners will come together and be placed within the division. This division placing will then be used to determine duplicates for the sale. Sale Order: First duplication follows the champion; second duplication will follow the reserve champion. Other duplications will start with the heaviest division and move in order to lightweight division, however, no fourth-place animals will sell until all third-place animals are sold. If Champions and Reserve Champions come from the same division, only the first duplication will come from that division.
 3. FFA Exhibitors will complete Kiwanis sale forms immediately following the selection of the overall champions of each market show.
 4. Members qualifying more than 1 animal per category are required to sell the highest placing animal. Overall Champions and Overall Reserve Champions will be sold before Division Champions and Division Reserve Champions. Division Champions will be sold before Reserve Division Champions.
 5. If a member qualifies more than two species, the member is required to sell any Grand Champions overall first, followed by any Reserve Champions overall. If a member qualifies three species and are not Grand or Reserve overall of those species, the member may pick the two animals they wish to sell. If the member qualifies two head in different species, they will sell those two. In the event a member qualifies an animal through the duplication process as their third animal, the qualifying animals will sell over the duplication animals. If a member qualifies with all duplicate animals, they can choose which animals they want to sell. A member may only sell two animals and they must be from different species. All poultry and fowl are considered one species.
 6. The duplication process for poultry will be goose, turkey, duck, chickens. If the same exhibitor qualifies in more than one category they will be required to sell the category that comes first in this order.

THIS IS A MARKET ANIMAL SHOW. NO TRADING OR SUBSTITUTION OF DIFFERENT ANIMALS AFTER THE SALE WILL BE ALLOWED. ALL ELIGIBLE, HIGHEST PLACING ANIMALS WILL SELL.

- **Co-Ownership:** Ownership ID Sheets extend beyond the family with two or more names on the papers to prove co-ownership exists. One of the names on the ID Sheet must be the 4-H youth or an immediate family member.
- **Dog Training Contract:** The 4-H member may enter into an agreement to train someone else's dog in situations that may benefit the member, the dog or both. This arrangement is used for families with the inability to own a dog. **The training contract should not be used as a substitute for normal dog ownership.**
- All dogs must be at least 6 months of age by May 1st to compete at the County 4-H Dog Show and 1 year of age by May 1st for agility classes. Dog ID forms should reflect the age of the dog.
- Certificates for dog entries must show current immunization as per state veterinary guidelines. **No animals will be allowed to exhibit at the Wyoming State Fair without a valid Animal Health Certificate.**
- **All dogs must be on leash (excluding competition) and under control at all times. County Fair rules prohibit any dog from being anywhere but the site of the dog show.** Once the 4-H dog show is completed, all dogs must be removed from the fairgrounds.
- Vicious dogs will be dismissed from the ring and must be removed from the premises.
- Bitches in season will be allowed in classes. However, they will run at the end of each class.
- Spayed, monorchid, or neutered dogs may be shown without judging discrimination.
- All dogs must be vaccinated by a certified, licensed Wyoming Veterinarian.
- Dogs must be clean and well groomed.
- The show committee reserves the right to ask anyone violating these rules to leave.
- Entries for Rally classes and Agility classes will need a current Wyoming 4-H Jump Height card at check-in to verify correct class entries.

Obedience

- A 4-H member may compete in only one obedience class per dog with a total maximum of two entries (dogs). Their first dog is referred to as the "A" dog. The other is referred to as the "B" dog for class entries.
- The first-year class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. Members may compete in the first-year beginner novice class only once.
- An exhibitor who competes in the A groups with their first dog stays in the A groups with that dog for each level. The same is true for the B groups and levels. A member advances from On Leash A to Novice A. Same applies for moving in B classes.
- B Groups are classes for all additional/second dogs entered after first dog.
- A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H member, or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show must show the dog by these guidelines:
 - Junior and Intermediate age exhibitors may move back or down one level
 - Senior age exhibitors must show the dog at the highest level the dog has achieved
- A dog receiving a qualifying score of at least 170 points at county fair may advance the following year to the next higher class but must advance after receiving 3 qualifying scores. Once the higher level of obedience is selected for the dog, the member may not drop back down to the lower level with the same dog.

- Score Sheets: They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
- All dogs must enter/leave the show ring on a leash.
- Dogs soiling or urinating in the ring during judging will be disqualified and receive no score.
- Bait and/or toys are not allowed in obedience competition.
- Males and females will be shown in the same class. Females in heat will be shown last in the class and must be kept away from the obedience ring until call time.
- Class A and B may be combined at discretion of Superintendent(s) based on entry numbers.

4-H STATIC EXHIBITS

Deb Dolph- 307-630-7123, debdolph@wyomed.org- 4-H Static Superintendent Supervisor

Please see 'FAIR SCHEDULE', 'GENERAL RULES AND REGULATIONS' and AWARDS in the front of book for more information regarding entry deadlines, dates, additional rules and premiums.

4-H Static General Rules:

- It is highly recommended that a Skill Summary Statement be attached to each entry. This can include a brief explanation of your project to help the judge when assigning a ribbon placing. Points to consider may include: process, tools used, skills learned, goals achieved, additional help from others. Due to the absence of interview judging at State Fair, it is highly recommended that this information be attached to all State Fair qualifying items. Food & Nutrition and Food Preservation projects have required information that must be attached to each entry. Details can be found in that project section. Contact the Extension Office for examples of skill summary cards.
- Posters, pictures, artwork, and photography exhibits should come with a method for hanging them on hooks attached to pegboard.
- Display boards or poster boards must be able to stand on their own on a table.
- Oversized exhibits will be displayed as space permits.
- Static exhibits are judged by an interview judging process with an emphasis being placed on the learning process of the project area. Exhibits that are judged without the interview judging process are placed at the judge's discretion.
- Rules - It is the responsibility of the exhibitor/family to know and understand all rules and regulations. Unless specified, exhibits must conform to the same rules and regulations that apply to other departments at County Fair.
- Entries must be exhibited at County Fair to be eligible for the Wyoming State Fair. It is the Responsibility of the 4-H member/family and to enter exhibits/entries in the correct classes.
- The Laramie County Fair or County extension staff will not be responsible for the loss of or damage to, any exhibit or animal.
- 4-H static exhibits are judged using the Danish system of placing (purple, blue, red, white). Entries winning a blue or purple will be eligible for Wyoming State Fair.
- A project done in school should be eligible for display or show through one, but only one organization.
- Members are allowed 8 entries in each class.
- Interview judging may occur on two(2) items per youth per project area. Additional items in that area will be set aside and judged later. For example, if an exhibitor has six photos, three photos (from any combination of classes) will be interview judged and the remaining will be set aside and judged later.
- All static exhibits going to State Fair will be transported by extension office unless prior arrangements are made with the 4-H Staff. If a member's item is fragile or breakable it is that member's responsibility to pack this item to go to State Fair. Multiple similar exhibits from the same exhibitor or exceptionally heavy or large items will be transported at the discretion of the Extension Office Staff. The Wyoming State Fair, State 4-H Office, and the County Extension Staff will not be responsible for the loss of or damage to any article or animal. Photography and Visual Arts participants will be limited to taking 4 items of each project to Wyoming State Fair. After interview judging the participant will pick which entries they want to enter at Wyoming State Fair. Entries not chosen must be picked up on the last Saturday of Laramie County Fair.
- Static Exhibits not going to State Fair may be removed beginning the morning of the last Saturday of Fair.
- Perishable entries for State Fair need to be taken to the Event Center 4-H Office to be transported to Douglas.
- No hazardous materials, dead or parts of a dead animal unless properly preserved, live ammunition or any exhibits that pose a health or safety concern are allowed. The County 4-H Office reserves the right to disqualify and dispose of any project considered a health/safety hazard or potential health/safety hazard.

4-H Supreme Champion Awards – One Supreme Champion in each age division and category may be selected in each of the following static exhibit categories. All the individual grand champions in each area, and age division will compete against each other for the overall award. The judge has the right to not award a Supreme Champion. There is an opportunity for 27 supreme champion awards.
