HISTORY

The Laramie County Fair, Wyoming's oldest and largest fair, will celebrate its 119th year in 2026. For more than a century, the Fair has provided a space for community members to showcase their hard work, talents, and potential.

Each year, the Fair features a wide variety of livestock shows, static exhibits, and live entertainment, along with food and beverage options for all ages. The event is held at the new Event Center at Archer in Cheyenne, Wyoming, offering an exciting and welcoming environment for exhibitors, sponsors, and visitors alike.

OUR FOCUS

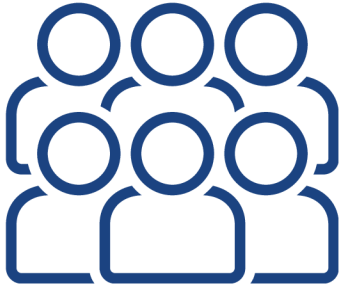

At the heart of our Fair is a deep commitment to the youth who represent the future of our community. Through programs like FFA and 4-H, young people dedicate countless hours throughout the year raising animals, building skills, and learning responsibility, all leading up to their moment in the spotlight at Fair. We are proud to provide a place where those efforts are recognized, celebrated, and rewarded.

The Fair is more than an event, it's a tradition that brings families together, creates lasting memories, and showcases the very best of our community. With the support of our sponsors, we're able to continue investing in these youth programs, elevate the Fair experience, and give back to the community that makes it all possible.
